SLO County Board of Supervisors, District 1
County Government Center, Room D-430
San Luis Obispo, CA 93408

Dear Board of Supervisors,

The San Miguel Chamber of Commerce would like to formally write the Board concerning the Gateway Project in San Miguel. The community has expressed interest in this project, and it has come to our attention that there is a need from the community to maintain the monument. The Chamber of Commerce would like to commit to the maintenance of this project.

Sincerely,

Michelene Landseadel-Sanders
President,
San Miguel Chamber of Commerce Board of Directors
